38. CHOICE OF LAW

This Agreement shall be interpreted according to the laws of the State of New Jersey.

39. ARBITRATION

Any dispute, controversy or claim between Licensor and Licensee related to this Agreement (a "Dispute"), including, without limitation, any Dispute arising out of, in connection with, or in relation to the interpretation, performance or breach of this Agreement, shall be settled by arbitration, rather than litigation. Such arbitration shall be the exclusive resolution mechanism for any Dispute under this Agreement.

Arbitration may only be initiated by the delivery of a written notice of demand for arbitration by one party to the other within two (2) years after the date the Dispute has arisen, time being of the essence. The "date" the Dispute has arisen shall be the date that both parties have actual or constructive knowledge of the facts underlying the Dispute claimed. If neither party delivers a written notice of demand for arbitration within two (2) years after a Dispute has arisen, then the parties' rights with respect to such Dispute shall be deemed waived, and each party hereby releases and discharges the other party and its heirs, executors, administrators, successors and assigns from all actions, causes of action,

suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, controversies, agreements, promises, variances, trespasses, damages, judgments, extents, executions, claims, and demands whatsoever in law or equity, which it ever had, or shall or may have for, upon or by reason of such Dispute.

Unless the parties agree upon a single arbitrator, then within thirty (30) days after the date of delivery of the written notice of demand for arbitration, each party shall appoint an individual as arbitrator. If either party refuses or neglects to appoint an arbitrator within thirty (30) days, the other party may apply to the appointor hereinafter named to name an arbitrator on behalf of the other party. The two arbitrators so appointed shall appoint a third arbitrator. If the two arbitrators do not agree on a third arbitrator within thirty (30) days after their appointment (i.e., with thirty (30) days after the appointment of the second arbitrator), then either of them or either of the parties may apply to the appointor for the appointment of the third arbitrator.

The "appointor" shall be the President (or if he or she is unavailable or it is inappropriate for him or her to act for any reason, the Senior Vice President and General Counsel) of the American Arbitration Association (or its successor or in the absence of a successor, an institution or organization offering similar services).

Unless the parties otherwise agree, any and each arbitrator hereunder shall be either (i) a retired judge of a trial or appellate court resident in a state other than New Jersey, selected from the "Independent List" of retired judges (or its then equivalent); or (ii) a member of the National Academy of Arbitrators (or its successor or in the absence of a successor, an institution or organization having a similar purpose) resident in a state other than New Jersey. No arbitrator, however selected, shall be a person who has previously acted in any capacity for either party, or who has a personal or financial interest in the result of the arbitration.

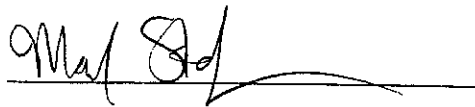

The arbitration shall be conducted in the State of New Jersey, and, except as provided in this Article, shall be conducted in accordance with the most applicable then existing rules of the American Arbitration Association (or its successor or in the absence of a successor, an institution or organization offering similar services). The decision or award rendered by the single arbitrator or a majority of the three arbitrators, as the case may be, shall be in writing and shall be final and binding on both parties. Judgment upon any decision or award rendered by such arbitrator(s) may be entered by any federal or state court having jurisdiction thereof.

Each party shall bear one half of the cost of any arbitrator and the arbitration hearing. Each party shall pay its own attorneys' fees, expert fees and other costs incurred by the party in connection with its preparation for or prosecution of the arbitration.

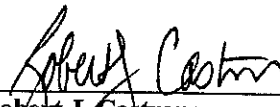

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed as of the day and year first above written.

MEADOWLANDS **SPORTS COMPLEX**

NEW JERSEY SPORTS and EXPOSITION AUTHORITY

INTER-OFFICE MEMORANDUM

NJSEA BOOTLEG VENDING POLICY/PROCEDURES

UNAUTHORIZED VENDING AND DISTRIBUTING PROHIBITED

Except as authorized by the Sports Authority, no person shall enter or remain on the premises of the Meadowlands Complex for the purpose of selling, offering to sell, leasing or distributing any goods, merchandise, literature or services.

ILLEGAL VENDING - Often the sale of souvenir T-Shirts and caps, etc. is an important source of income to our promoters and the acts they represent. Ultimately, of course, the Sports Authority benefits from this business as well. At times, particularly for rock concerts, vendors will "pirate" the name and trademarks of acts and produce shirts and caps which they sell in our parking lots before and after concerts. When the act in question obtains a court issued injunction against this, we will assist in carrying out the court order. We do this by trying to curtail the activities of these unauthorized vendors.

The vendors work the parking lots and only carry 3-5 shirts at a time to minimize their losses if caught. They maintain their main supply of merchandise in a centrally located vehicle trunk or van and may keep a bag of inventory under a parked car.

NEW JERSEY SPORTS and EXPOSITION AUTHORITY

INTER-OFFICE MEMORANDUM

NJSEA BOOTLEG VENDING POLICY/PROCEDURES

UNAUTHORIZED VENDING AND DISTRIBUTING PROHIBITED

Except as authorized by the Sports Authority, no person shall enter or remain on the premises of the Meadowlands Complex for the purpose of selling, offering to sell, leasing or distributing any goods, merchandise, literature or services.

ILLEGAL VENDING - Often the sale of souvenir T-Shirts and caps, etc. is an important source of income to our promoters and the acts they represent. Ultimately, of course, the Sports Authority benefits from this business as well. At times, particularly for rock concerts, vendors will "pirate" the name and trademarks of acts and produce shirts and caps which they sell in our parking lots before and after concerts. When the act in question obtains a court issued injunction against this, we will assist in carrying out the court order. We do this by trying to curtail the activities of these unauthorized vendors.

The vendors work the parking lots and only carry 3-5 shirts at a time to minimize their losses if caught. They maintain their main supply of merchandise in a centrally located vehicle trunk or van and may keep a bag of inventory under a parked car.

Venue shall make any, if any, changes to such Part 2 that WWD reasonably requires. Such Part 2, as submitted by Venue with any such changes by WWD, shall be a part of this Agreement, and Venue shall comply with such terms in such Part 2 thereafter. (a) No person whose business involves any product or service in a category in Appendix D may be such a sponsor or supplier. WWD may amend the categories in Appendix D from time to time before the Engagement by giving written notice to Venue thereof; provided, however, that such amendments shall not require Venue to change Venue's agreement with any such sponsor or supplier previously authorized by WWD.

(b) Each proposed sponsor or supplier shall be approved in writing by WWD before Venue grants any right to such person to be such a sponsor or supplier. Such approval shall not be unreasonably withheld, but there may be some proposed

Subject to the foregoing, if WWD is approached by a person that desires to become a local sponsor or supplier of the Engagement solely in Venue's specific geographical market, then WWD shall inform Venue and cooperate with Venue (in a manner consistent with this Agreement) in Venue's attempt to enter into an agreement with such person relating thereto.

Any such access shall be for the sole purpose of taping promotional video of the Tour or the Engagement (with the specific elements available for taping to be determined by WWD). If the Engagement generates certain amounts of Revenue, then WWD shall pay to Venue an amount (the "Bonus"), which shall be calculated as described in this Section 4.4 (with the payment of any, if any, Bonus being accomplished by netting the amount of any Bonus from the payment to WWD under Section 4.2).

(a) If Revenue exceeds \$1,800,000, but is less than or equal to \$2,400,000, then the Bonus shall be \$20,000.

6.2 **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of law.

6.3 **Entire Agreement; Amendment; Waiver.** This Agreement constitutes the entire Agreement between the Parties regarding the subject matter hereof and supersedes all prior agreements, representations, warranties and understandings of the Parties regarding such subject matter. No waiver or supplement, modification or amendment hereof shall be binding unless expressed as such and executed in writing by both Parties (subject to the process for completing Part 2 of Appendix C set forth in Section 2.3 and subject to WWD's rights under Section 3.3(a)). No waiver of any term hereof shall be a waiver of any other term, nor shall any such waiver constitute a continuing waiver beyond its stated parameters. Failure to enforce strict compliance with any term hereof shall not be a waiver of, or estoppel regarding, the existing or any subsequent failure to comply.

6.4 **Severability.** If any term hereof is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, all other terms hereof shall nevertheless remain in full force and effect, and such term shall be amended so that it is valid, legal and enforceable to the maximum extent permitted by applicable law, but as close to the Parties' original intent as is permissible.

6.5 Assignment. 6.6 Relationship of the Parties. This Agreement establishes an independent contractor relationship between the Parties (and not a partnership, joint venture or other association). Neither Party has the authority to bind or obligate the other. Nothing herein, express or implied, gives any right or remedy under or by reason of this Agreement to any person other than the Parties and their permitted successors and assigns.

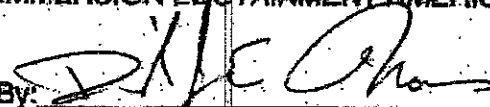

6.7 Force Majeure Event. If the performance of any of the terms hereof (other than the payment of monies) is frustrated, delayed or prevented because of proper compliance with any law, decree or order of any governmental agency or authority, or because of riot, war, public disturbance, strike, lockout, differences with workers, fire, flood, act of God or any other reason that is not within the reasonable control of the Party whose performance is interfered with and which in the case of each of the foregoing, by the exercise of reasonable diligence or efforts, such Party is unable to prevent (a "Force Majeure Event"), then such Party whose performance is so interfered with may, at its option, suspend such affected performance (other than the payment of monies) while (but for only so long as) such Force Majeure Event continues to be the cause of such interference and such Party continues to use its commercially reasonable efforts to fully perform, whenever and to whatever extent reasonably practicable under the circumstances (including through the use of alternate sources or dates, workaround plans or other means).

6.8 Certain Other Interpretations. Except as may be otherwise expressly stated herein: (a) the headings herein are for convenience only and shall not affect the meaning or construction of any term hereof; (b) the singular includes the plural and vice versa; (c) "or" means "and/or" and "any" means "any or all"; (d) "include" and "including" and variations thereof are deemed to be followed by "without limitation"; (e) the term "person" includes any individual, trust, corporation, partnership, limited liability company, joint venture, other business association or entity, court or other tribunal, government or governmental body, division, agency or other governmental unit; (f) the words "hereby" and "hereunder" and variations thereof refer to this Agreement as a whole and not merely to the specific section or clause in which any such word appears; (g) "Affiliate" means, with respect to any particular person, any other person directly, or indirectly through one or more intermediaries, controlling, controlled by or under common control with such person, whether by ownership or control of voting securities, by contract or otherwise; (h) references herein to a Section are to a section of this Agreement; (i) all dollar amounts are expressed in United States dollars and shall be paid in cash in United States currency; and (j) each Appendix and Rider hereto is a part of this Agreement and incorporated herein.

6.9 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

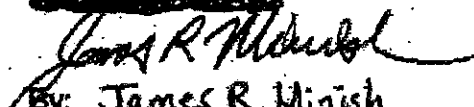

IN WITNESS WHEREOF, each Party has duly entered into this Agreement, effective as of the date first written above.

Addendum A

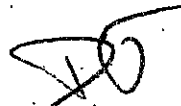

TO THE CO-PROMOTION AGREEMENT

The following terms and conditions collectively referred to as Addendum A above shall become an operating part of the Co-Promotion Agreement as if incorporated therein:

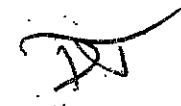

Paragraph 2.3 (Advertising) – Venue shall be permitted to include as part of the advertising budget Venue's 10% group sales commissions that Venue has sold for the Engagement. WWD understands that such group sales commissions may cause Venue to exceed its advertising budget for the Engagement, which has been approved by WWD. Such group sales commissions shall not be applicable to the 15% national advertising contribution for the Engagement. 

For clarity, if Venue's advertising budget is \$150,000 and Venue's group sales commissions are \$10,000, making the entire advertising contribution at \$160,000. The 15% national advertising contribution shall only apply to the \$150,000 and not towards the \$10,000 group sales commission. Therefore, $\$150,000 \times 15\% = \$22,500$ (\$22,500 national advertising contribution). 

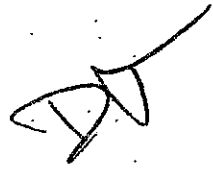

WWD understands and approves of Venue's 4.5% outside agency commission for all advertising placed by Venue. Such commissions shall be included as part of Venue's advertising budget.

Paragraph 2.5 (Insurance) – Venue is unable to insure the property of WWD and the operations of the Dinosaurs. WWD shall reciprocate to Venue in accordance with the terms of paragraph 2.5 of this Agreement including WWD's property and the operations of their property. 

Paragraph 3.1 (Merchandising) – The merchandise split on recorded materials (CD's & DVD's) shall be 85% to WWD and 15% to Venue. 

Paragraph 3.3 (Local Sponsors) – WWD understands that Venue has existing relationships with permanent sponsors in Venue's building, some of which give such Venue sponsor exclusivity in a particular sponsorship category. WWD and Venue agree to communicate with one another prior to any sponsorship activation to ensure there are no conflicts with existing Venue exclusive sponsors. 

Paragraph 4.2(b) (Payment of Portion of Revenue to WWD) – There are 29 suites in the building with a total of 466 tickets. These tickets are complimentary.

Venue shall also be entitled to relocate suite seats that are obstructed view due to the Engagement's production setup. These relocated suite seats are complimentary and are in the general seating area. Brad Parsons and Bruce Mactaggart shall mutually work together to settle the financial arrangements for the complimentary relocated suite seats.

Addendum A – (continued)

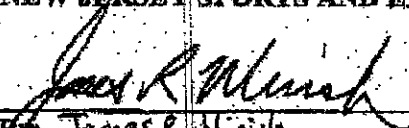

Paragraph 4.3 (Reimbursement of Certain Expenses by Venue) – Subject to Paragraph 2.3 of the Agreement and of this Addendum A, Venue shall be able to include the 4.5% outside advertising agency commissions as part of Venue's advertising budget. 

Paragraph 5.2 (Indemnification – WWD's Obligations) – Subject to the terms defined in Section 5.2 of this Agreement, WWD shall also indemnify, defend and hold harmless Venue and Venue's Affiliates from any act or omission, mechanical failure or mechanical malfunction of the Dinosaurs, who, in the case of this Agreement, are the performers for the Engagement.

between Thrill Hill Productions, Inc. (hereinafter called "ARTIST") and
_____ (hereinafter called "PURCHASER").

The following provisions shall be deemed incorporated in and as part of the attached Contract. Furthermore, no changes shall be allowed without the prior written consent of the ARTIST.

A. TICKET SALES: All tickets must be printed **BRUCE SPRINGSTEEN and the E STREET BAND**. The PURCHASER shall provide a ticket manifest upon the signing of this Contract. (c) Provide, in addition to the foregoing, all facilities and equipment as may be normally available at the Venue, at no charge, including such items as forklifts, man-lift, ladders, chairs, tables, rigging equipment, house sound systems and lighting equipment, pipe and drape, washing machine(s), clothes dryer(s), and electrical equipment.

10. **SERVICES PROVIDED BY LESSEE:** For the Engagement of the Show hereunder, Lessee shall, at its sole cost and expense:

(a) Furnish the cast and such other personnel and equipment as Lessee deems appropriate for the presentation of the Show.

(b) Transport all personnel, properties and equipment of the Show to and from the Venue.

(c) Provide such taped musical accompaniment and taped narration as Lessee may require for proper presentation of the Show. Lessor agrees that it will not enter into any agreement with the American Federation of Musicians or any of its affiliated locals or any other union which will require any musicians to be employed, utilized or compensated in connection with any performance or Engagement of the Show hereunder.

(d) Obtain all grand rights, ASCAP, BMI, SESAC, and similar licenses and rights to use patented and/or copyrighted music, materials, equipment, devices, or dramatic rights used in connection with the presentation of the Show. Lessee agrees to indemnify Lessor against any claim or liability resulting from Lessee's failure to obtain any licenses in accordance with the foregoing or the infringement of any copyright used in the Show.

(e) Carry and pay for Workers' Compensation insurance with respect to Lessee's employees.

(f) Provide the required light board and full-range integrated sound system and its operator, and microphones.

(g) Direct the advertising, publicity and promotion campaign for the Engagement hereunder; prepare and furnish advertising layouts and commercial mats for all media, including radio commercials and television reels; and have printed all outdoor advertising paper, heralds, mailing circulars and other promotion material; however, Lessee shall be reimbursed in accordance with paragraph 3 for all advertising materials furnished by Lessee hereunder to include, but not be limited to, creative advertising work necessary for preparation of television, radio, newspaper ads, printing and promotional material, plus any freight involved therein. Such amounts shall include Lessee's creative cost per performance, in producing such materials, provided such cost shall be adjusted annually in accordance with Lessee's then current rate for its North American engagements.

11. **ADVERTISING:** Lessor shall place and remit payment for the entire advertising, publicity and promotion campaign. The amount expended for such campaign for any Engagement hereunder shall be mutually agreed upon by Lessor and Lessee. All advertising shall be at the contract line-rate or other special rate applicable to the media employed and available to Lessor by reason of its volume. Lessor also agrees to handle billing of the performers as designated by Lessee and to feature such Show names as may be designated by Lessee over all billing and to use only ad mats and printed matter supplied by Lessee and to use only television and radio commercial announcements prepared under the direction of Lessee. Lessor agrees to submit copies of all bills and statements for publicity and advertising expenses to Lessee upon final settlement. Notwithstanding the provisions of this paragraph, Lessee may elect to use its own personnel or other personnel designated by Lessee to place and remit payment for such campaign or part of such campaign as may be determined by Lessee, thereby relieving Lessor of any responsibility to place and remit payment for same. The parties remitting payment shall be reimbursed in accordance with paragraph 3.

12. **PERFORMANCE CRITERIA:** The schedule of performances for the Engagement shall be determined by Lessee. Lessee may designate a day or days during the Engagement as a day or days on which no performances will be held; however, Lessee shall have full access to all leased areas on non-performance days.

13. **QUINTES/SPECIAL SEATING:** All seats in the ticket manifest for performances hereunder, including, without limitation, all performances of the Show shall be included in the ticket manifest for performances hereunder, including, without limitation, all seats in loges, box seats, suites, club seats and all other similar special seating whether sold by the season, by individual performance or on any other basis (hereinafter, collectively, "Special Seats"). Lessor shall contribute to the gross receipts for each performance an amount equal to the total number of Special Seats which have been sold for each performance or occupied on any basis, multiplied by the ticket price as noted in paragraph 4 above.

14. **BOX OFFICE:**

(a) Lessor, through its computer ticket service, shall provide adequate tickets for the requirements of the Venue at the scale of prices set by Lessee which shall not include any surcharge or other levy except for those taxes specified in paragraph 3. Lessor shall place tickets on sale at such time as may be determined by Lessee, and Lessor shall provide Lessee with a certified manifest of all tickets for the Engagement at least three (3) days prior to the commencement of ticket sales for the Engagement. Lessor shall insure that in the event of computer failure, Lessor will either take alternative measures to provide sufficient tickets for walk-up sales or will indemnify Lessee for any revenues lost as a result of any failure of, or problem with, Lessor's computer system.

(b) Lessor will not modify its existing arrangement or enter into any new arrangement with any computer ticket service for the exclusive sale of tickets to events at the Venue which will apply to or in any way affect the sale of tickets to performances of the Show hereunder without first obtaining the written approval of Lessee to the terms thereof, insofar as they affect Lessee and Show's patrons, and no such arrangement shall be applicable to the sale of Show tickets unless approved by Lessee.

(c) Lessor will provide all personnel, services and facilities, both at the Venue and elsewhere, necessary for the adequate sale of tickets to performances hereunder, including, but not limited to, a box office treasurer, ticket sellers for advance sales (including mail order), telephone charge sales, personnel to fill group sales orders, agency sales, performance window sales, and sales at any of the Venue's outside ticket outlets, and to pay all costs incurred in connection with such sales, including, but not limited to, the cost of any telephone charge system that is used or other special telephone service, internet services, money pickup service, all charges related to any computer ticket or reservation system that Lessor may utilize for the sale of tickets hereunder and any sales outlet or credit card commissions. Consideration for the foregoing personnel, services and facilities is noted in paragraph 4 above. If Lessee finds Lessor's usual outlet(s) inadequate for the sale of Show tickets, Lessee may establish additional outlets with the cooperation of Lessor.

(e) Lessor shall collect all monies from the sale of all tickets and shall maintain regular books and records pertaining to the Engagement, including a true and accurate account of all monies collected. All monies collected shall be deposited promptly in a bank account established by and in the name of Lessor. Upon request, Lessor shall transfer a portion of such monies to Lessee. Lessee agrees that to the extent such transfers have been made, it will immediately transfer to Lessor's account any monies required for refunds in the event of cancellation of any performances hereunder. Any refunds shall be determined by mutual agreement between Lessee and Lessor. Lessor shall have the sole obligation of distributing any refunds in accordance with any and all applicable laws and to file and pay in a timely manner any federal, state, county, provincial, local and/or other taxes, which may be assessed on tickets to performances hereunder, and any amounts relating to Lessor's failure to do so, and Lessor shall release Lessee from liability and indemnify Lessee in respect of any responsibility for the distribution of such refunds and for the payment of such taxes.

(f) Immediately after each performance, Lessor shall complete and deliver to Lessee a certified box office statement relating to the exact sales for said performance, all unsold tickets, lunette counts, computer manifests, and stubs retained by ticket takers on forms supplied by Lessee. Lessee, by duly designated representatives, shall have the right to inspect the box office and all records and transaction reports with respect to the admission receipts, including unsold tickets and stubs of tickets sold. Lessor will conduct a drop count in a manner acceptable to Lessee. Lessee's duly designated representatives will be admitted to the box office at any and all times during the sale of tickets for the Engagement. Lessor will account for all tickets and/or cash receipts therefor in accordance with the certified ticket manifest, and shall bear any losses or shortages of money resulting from fire or other casualty, hold-up, theft, infidelity, default by any of Lessor's ticket agencies, or bad checks.

(g) Upon completion of the last performance of the Engagement hereunder, there shall be an immediate accounting and settlement of amounts due and owing to the parties hereunder. In arriving at settlement, there shall be no offsets whatsoever for claims by one party against the other which do not relate to ticket sales, including, but not limited to, claims for damage to the Venue or its equipment which shall be handled in accordance with paragraph 28 below. No financial information (including but not limited to information regarding gross ticket sales and expenses) with respect to the Engagement shall be released by Lessor except with the prior written approval of Lessee.

(h) Lessor and Lessee agree to use their best efforts to maximize the sale of tickets to performances hereunder. Lessor will not commence the sale of tickets during the period one (1) week prior to and during the Engagement of the Show for any event to be held at the Venue without the prior written consent of Lessee.

(i) Lessee owns any customer list that is generated in connection with the presentation of the Engagement and all information that may be contained thereon. Neither Lessor nor its employees or agents will use such customer list or provide such customer list or the information contained thereon to any third party without the prior written consent of Lessee.

15. SERVICE CHARGES:

(a) The following service charges and handling fees shall be in effect for the Engagement hereunder and shall be applied in accordance with the Actual Ticket Price. Actual Ticket Price shall be defined as the price paid for ticket(s) including sales tax (if applicable) and after applying discounts, and shall not include any amounts charged for facility fee(s), ticket delivery fee(s), or other charge(s) (if any). Current service charges are as follows, and are subject to change on an annual basis:

(b) There shall be no per-order handling fee for outlet sales.

(c) There shall be no per-ticket service charge(s) for mail order sales.

(d) The Venue box office shall not impose any service charge or handling fee in connection with over-the-counter sales of tickets (including group sales orders) for the Engagement hereunder.

(e) No facility fee or other surcharge, including credit card commissions, may be added to Lessee's established ticket price, except as may be indicated in paragraph 4 above. Any amounts added in violation of this provision shall become the exclusive property of Lessee.

16. POSSESSORY INTEREST TAX: It is the contemplation of the parties to this Agreement that no possessory interest or similar tax shall be imposed upon Lessee by any taxing agency of the State where the Venue is located or of any county, municipality or other subdivision thereof during the term of this Agreement since, among other things, Lessee does not have exclusive and continuous use and control of the Venue. However, if any such tax is imposed upon Lessee during the term of this Agreement, Lessor shall credit the amount of the tax paid by Lessee against any and all sums due or to become due from Lessee to Lessor under the terms of this Agreement. If Lessee has paid Lessor before the tax is paid, then Lessee shall have a credit as to consolidation to become due under any renewal or extension of this Agreement and, if none, Lessor shall reimburse Lessee in the amount of the tax immediately upon written request from Lessee.

17. CONCESSION RIGHTS: Lessee shall have the sole and exclusive right to sell concessions noted in paragraph 4 above, both inside and outside the Venue and in the seats to the audience before and after performances and during intermission through its own vendors or through concessionaires designated by it (collectively "vendors"). booster seats, banners, photographs, photographic services, posters and dolls. There shall be no vending in the seats to the audience by any party during the actual performance. Neither Lessor nor any of its concessionaires shall charge any concession fee therefor, and all monies collected by Lessee from such sales, including proceeds of sales of advertising in Show's program books, shall belong exclusively to Lessee and shall not be included in gross receipts. For the purpose of such concession sales, Lessor shall supply to Lessee or its Vendors, at no charge, adequate locations, at least equal in quantity and placement to those supplied for the most recent previous engagement (if applicable), in the Venue including electrical and water hook-ups, water and electricity. Neither Lessor nor any of its concessionaires shall sell concession items in the categories covered in this paragraph or concession items which are substantially similar to those categories covered herein during the Engagement hereunder, nor shall they sell in the seats to the audience except at times Lessee permits its own Vendors to sell there. Lessor represents that it has not signed any contracts or entered into any oral agreements with respect to concession operations at the Venue and its facilities which will require Lessee to utilize or pay for personnel in connection with Lessor's concession operations in addition to Lessee's Vendors and their personnel. In the event any additional personnel are required by Lessor. To the extent permitted by law, Lessor and Lessee and its subsidiary companies shall have the exclusive right to use voice amplification equipment during the Engagement in areas outside of the Venue that are open to the public. This right may not be assigned to any third party without the prior written consent of the non-assigning party.

18. **CLEARANCE WINDOW:** During the term of this Agreement, Lessor agrees that it will not allow the performance of any other spectacle-type show (spectacle-type show is defined as a major, touring, family show) in the Venue during the period commencing on the dates, prior to and ending after the Engagement hereunder, as noted in paragraph 4 above. In addition, if any such event noted above is scheduled after the periods indicated, Lessor will not, without Lessee's prior written consent, advertise or publicize performances of any other such event, nor allow any third party to so advertise or publicize until after the completion of the Engagement hereunder. Lessor acknowledges that its breach of this provision will cause Lessee irreparable harm for which money damages alone are an inadequate remedy due, among other things, to the impossibility of precisely ascertaining the same and that, in addition to remedies available to it at law, Lessee shall be entitled to injunctive and other equitable relief for such breach or threatened breach.

19. **BROADCAST RIGHTS AND TRADEMARK:** Lessor shall have no broadcast or reproduction rights with respect to the Show, and no television, radio, transmitting, recording or photographing device shall be used in any manner or form to reproduce any of the performances of the Show in the Venue, except for the account of Lessee which retains the sole and exclusive rights with respect to any such broadcast or performance and the proceeds thereof. It is expressly understood that there shall be no television broadcasts (including but not limited to free, paid, subscription, cable or delayed broadcasts) of any performance of the Show in the Venue authorized under this Agreement, except that Lessee retains the privilege to permit television and radio personnel to film and record highlights of the Show in the Venue for the purpose of giving publicity to the Show. Lessor shall not, without the prior written consent of Lessee, use or authorize any third party to use or otherwise employ the name of any licensed character or any licensed theme or storyline used in connection with the Show, including but not limited to the names "Walt Disney", "Disney", or the name or likeness of any famous Disney character, theme or storyline or any variation thereof, in advertising of any product or service other than the Show to be performed hereunder.

20. **SPECIAL PROMOTIONS:** Lessee shall have the right to engage in special promotions on opening night or in connection with other performances at which attendance may be weak if, in Lessee's judgment, such efforts will be mutually beneficial and may significantly increase gross ticket sales or total attendance or be advantageous from a goodwill and publicity point of view. Only those proceeds which Lessee actually retains in connection with such promotions will be included in the calculation of adjusted gross receipts.

21. **SPONSOR(S):** Lessee shall have the right to engage sponsor(s) for the Engagement hereunder and shall retain all revenue derived from any such sponsor(s). Lessor will cooperate with Lessee in regard to any such sponsor(s) to enable Lessee to fulfill its obligations under any sponsorship agreement entered into by Lessee.

22. **ON-SITE PUBLICITY:** Commencing at least five (5) weeks prior to the first performance of the Engagement, Lessor will cause the forthcoming Engagement of the Show to be advertised, without charge to Lessee, on all normally available advertising media at the Venue and on all public address systems of the Venue at times it reasonably deems appropriate. In any appropriate brochures sent out by Lessor and on any radio or television programs owned or controlled by Lessor. In addition, Lessor will include advertising with respect to such Engagement in any issue of a newsletter or any similar method of advertising distributed during the period ninety (90) days prior to the commencement of the Engagement and in any other issues thereof in which events for the upcoming year or season are advertised. Use of the name of the Show on all marquees and visual material shall be in such form and manner as is approved by Lessee and may not be abbreviated. If Lessor has a website, Lessor agrees to link to Lessee's website.

23. **COMPLIMENTARY TICKETS:** Complimentary tickets shall be limited to an amount consistent with good business practice (unless otherwise noted in paragraph 4) and shall only be issued when attached to forms furnished by Lessee.

24. **COMPLIANCE WITH RULES AND REGULATIONS:**

(a) Lessee and Lessor shall comply with the applicable requirements of all laws, orders and regulations of federal, state, county, provincial and municipal authorities.

(b) Lessee shall not paint, drill into or deface any part of the Venue facilities without Lessor's consent, which will not be unreasonably withheld.

25. **BUILDING ACCESS:** Lessor, its directors, servants, employees, and agents shall have free access to the Venue facilities upon presentation of passes issued to them by Lessor but only if actually working during the performance to which they request admission.

26. **SURRENDERING OF THE VENUE:** Upon the conclusion of the Engagement of the Show, or the early termination of this Agreement for any reason, Lessee shall quit and surrender the Venue to Lessor. Upon such quitting and surrender, the Venue shall be in the same condition as at the beginning of the Engagement, ordinary wear and tear, damage by fire, Act of God, or unavoidable casualty excepted. Representatives of Lessee and Lessor shall survey the Venue both before and after the Engagement to determine the extent of any damages resulting from the Engagement, with the same two (2) representatives

from each party participating in both the pre and post walk-through. Any claims by Lessor for damages shall be verified by Lessee's representative and submitted for payment in accordance with paragraph 31. In the event the repair of any verified damages cannot be accomplished by Lessor's employees, Lessor shall obtain three (3) written estimates of the cost of such repairs and forward the same to Lessee.

27. **ADA COMPLIANCE:** Lessor warrants that Lessor and Venue currently comply with the provisions of the Americans with Disabilities Act of 1990 (the "ADA") to the extent that such provisions may apply. Lessor will defend, indemnify and hold harmless Lessee for and against any liability, penalty, fine, punishment, judgment, damage or claim, whether civil, administrative or otherwise, which may arise or be imposed in connection with Lessor's and/or Venue's failure or alleged failure to comply with the ADA.

28. **DELAY OR INTERFERENCE:** Lessor will not permit any use of the Venue which will delay any show performance or in any way interfere with Lessee's use of the Venue. Lessor will arrange for the clearance of the Venue floor and facilities, at no cost to Lessee, in sufficient time to permit Lessee to move-in in accordance with paragraph 1(a) above and to set up for each of its scheduled performances.

29. **FORCE MAJEURE:** Neither party shall be liable to the other party for the failure to perform any of the terms and conditions of this Agreement when such failure is attributable to an Act of God, by the government taking possession of the Venue or other government rules, regulations or actions, circumstances limiting the ability of the Show or its personnel to travel (such as, but not limited to, railroad, airline or bus strike or accident, severe weather conditions, act of terrorism, declaration of a national or state emergency, etc.) or by any other circumstances not under the control of such party. If any such event shall cause a delay but shall not be an independent reason for cancellation of an entire Engagement under this Agreement, the remaining performances of said Engagement shall be presented and this Agreement shall continue to be in full force and effect except as to the number of performances. If the performance is prevented by Lessor by reason of any labor disputes between Lessor and any of its employees or between Lessor and any other personnel it has agreed to provide under the terms of this Agreement, Lessee is hereby authorized to contract for the necessary labor required for the Engagement at Lessor's expense.

30. **ASSIGNMENT:** Neither party shall assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other party, except that no such consent shall be required in the case of an assignment by Lessee to a corporation or other entity which owns or acquires substantially all of its stock or assets and carries on its business in substantially the same manner. Subject to the foregoing, this Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective permitted successors and assigns.

31. **NOTICES, CONSENTS OR APPROVALS:** Any notices, consents or approval required or permitted hereunder shall be properly given if in writing and personally delivered or forwarded by mail, postage prepaid, addressed to the following addressee (or such other addressee as may from time to time be designated in writing by either party):
